

GIANTS WIN AGAIN BY CLOSEST SCORE

And Now Hold World's Championship On Diamond—Last Game of Series

(By Associated Press)
Polo Grounds, New York, Oct. 13.—The Giants attained the pinnacle of baseball honors for 1921 this afternoon when they whitewashed the Yankees by a score of 1 to 0, in the deciding game of the world's series.

Nehf pitched unhittable ball for the Giants and held the American Leaguers helpless. Hoyt pitched for the Yankees and his lack of control in the first inning, followed by an error by Peckinpah, resulted in the Giants' run.

The series closed Giants 5 and Yankees 3 games won.

BEREA PIPE LINE FIGURES IN TRIAL

Toledo, O., Oct. 13.—Jesse C. McDowell, former head of the gas division of the Cities Service Co., and the Doherty interests of New York, went on trial in United States District Court here today charged with using the mails to defraud.

John S. Pratt, special prosecutor for the government, told the jury that he expected to show that McDowell was farther to his trust in accepting personal commissions on big sales.

Attorney Pratt said that he was prepared to show that in the sale of Berea Pipe Line, of Berea, Ky., to the Doherty interests, the \$250,000 asked by the pipe line company was raised to \$3,000,000 by McDowell on his own suggestion. McDowell received the difference, the attorney declared.

Mr. Pratt outlined other alleged transactions in which McDowell is charged with having received large commissions.

SENATOR KNOX DIES SUDDENLY AT CAPITAL

Washington, Oct. 13.—Philander Chase Knox, Senator from Pennsylvania, and Secretary of State under President Taft, died suddenly at 6.30 o'clock Wednesday night at his home here. He was stricken with paralysis on his way to the dining room for dinner and died fifteen minutes later without regaining consciousness.

Senator Knox returned to Washington only last Monday night from a trip with Mrs. Knox to Europe and he attended the sessions of the Senate Tuesday and Wednesday.

President Harding, Chief Justice Taft, Senator Lodge, of Massachusetts, the republican leader; Senator Penrose, Henry Cabot, of Pennsylvania, and other friends and close associates of Mr. Knox were soon notified of the Senator's death. The news came as a shock to all official Washington. For the Senator through his services at Attorney General under President McKinley and Roosevelt, and later as Secretary of State under President Taft, had a wide circle of friends in all walks of public life, congressional, diplomatic and social.

WIZARD DEFENDS KU KLUX KLAN

Dramatic Scene in Congress When Chief Officer Denies Charges of Lawlessness

Wizard Attacks Ex-Clansman

(By Associated Press)
Washington, Oct. 13.—Resuming his testimony before the House Rules Committee, William J. Simmons, imperial wizard of the Ku Klux Klan, launched an attack against C. Anderson Wright, former clansman, who recently published what purported to be an expose of the order.

Simmons asserted the Klan was not organized for profit. He said his salary of a thousand dollars a month was fixed by the executive committee. Simmons produced a Klan ritual and read many paragraphs which, he said, showed the Klan pure Americanism. The Klan membership, he said, did not exceed 90,000 and declared it had no counterpart of the Klan organized in the south after the Civil War.

Washington, Oct. 13.—Sweeping denial of charges that the Ku Klux Klan contained within its ranks a lawless band of hooded hoodlums was made before a House committee Wednesday by William J. Simmons, of Atlanta, its founder and imperial wizard.

Turning squarely upon members who had listened intently for nearly two hours to a dramatic defense of the organization, Mr. Simmons declared, "standing here in the presence of God" he wanted the world to know that if one thousandth part of the charges were true, he would forth with call together the grand council of the Klan for the purpose of forever disbanding it in every section of the United States.

Called after a number of negro witnesses from Boston and Chicago had urged a congressional inquiry of the Klan, the imperial wizard, first asking to be sworn, told the committee the Klan welcomed the investigation, but protested against attacks in some of the pending House resolutions.

The wizard was permitted to read his statement without interruption, although at the session today he will be questioned by committee members, especially with reference to published reports of various acts of vandalism charged to the Klan.

"There is no room in our organization for those who take the law into their own hands," he declared, banging the table. "We have been charged with everything from the wave of high prices to the sweeping march of the boll weevil. It has been charged that our primary aim was intimidation of the negro in the south. But it might surprise you to know that the growth of the Ku Klux Klan has been much greater in the north and the east than in the south."

Referring to the "attacks" on the Klan by Hearst newspapers, Mr. Simmons, turning toward C. Anderson Wright, a former Klansman, who wrote a series of articles about the organization, said:

"Just as Judas betrayed Christ for thirty pieces of silver, so there was found by the Hearst paper C. Anderson Wright, former Klansman, who for money, betrayed his oath. My information is that the Hearst papers paid this man \$5,000 cash and \$100 a week as long as he worked on the stories and also agreed to protect him from any damage, suits and other legal action resulting from his libelous stories, these stories being false from start to finish."

Denying that officials of the organization received large sums as salaries or bonuses, Mr. Simmons said:

"We are spending the surplus money of the Klan in further building and enlargement of Lanier University in Atlanta, Ga. We have spent and are spending on Lanier University \$150,000."

"The charge is made that we are organized to preach and teach religious intolerance and especially that we are anti-Roman Catholic, anti-Jew and anti-negro," Mr. Simmons continued. "The work of the Klan proves this absolutely untrue. Many alleged outrages have been attributed to the Klan, but none of these were against the Roman Catholics, Jews and negroes per se and none were committed by the Klan."

Sourwoods and 'Simmons Can't See G. O. P.

A prominent republican candidate was telling the members of the bar the other day of an amusing incident he had when posting some of his cards requesting the citizens of the county to vote for him. He said that he noticed a number of cards of his opponent tacked up at various places and that he invariably tacked one of his cards just under that of his opponent. He said that while thus engaged near Hybeetown, a man rode up and watched him, and when he had finished tacking up the card, he explained to him that he was a candidate and requested the man to vote for the republican party. The man answered him: "What? Vote for the republican party? Do you think a man living on 'Simmons in the sourwoods would vote for the republican party this year?"

DRY RAIDERS TO TEST LOUISVILLE "BEER"

(By Associated Press)
Louisville, Ky., Oct. 13.—News-papers here today say federal agents swooped down on 70 Louisville saloons and took samples of beer for analysis. He asserted the squad worked so quickly that there was no time to spread word among the drink vendors, many of whom are alleged to sell real beer.

Heavy Liquor Sales Revealed in New York

New York, Oct. 13.—Papers revealing the purchasers of the thousands of bottles of liquor from bootleggers have fallen into the hands of prohibition agents and the arrest of six men in Long Island City. Deliveries were made to clubs, restaurants, cafes and fashionable apartment houses. In certain instances the papers show the prices charged. Whisky costing bootleggers \$24.50 a case brought on an average of \$87.

One of the papers bore a notation directing a truck man to deliver three cases of whisky to an address near the criminal courts building. It said:

"Deliver Lafayette street side. If policeman is there, O. K. Afternoon to 6 p. m., mornings after 7."

Besides the papers the pockets of one of the men arrested contained \$22,500 in cash and a certified check for \$10,000.

The six men are alleged to have been attempting to effect delivery of 2,000 cases of liquor from a bonded warehouse by means of forged permits at the time of their seizure. Each was held in \$5,000 bail.

What Has It Accomplished?

(By Associated Press)
Washington, Oct. 13.—The National Conference on unemployment after creating a standing committee with authority to reconvene the full conference at any time, concluded its deliberations today.

No action was taken by the unemployment conference on reports presented to it. They explained the reports are not to be taken as recommendations of the conference, but expressions of group opinion of manufacturers.

The committee recommended several sweeping measures, including repeal of the Adamson eight-hour railroad law. Minority members, through Samuel Gompers, president of the American Federation of Labor, emphasized there "must be adopted no policy of wage reduction."

TOBACCO POOL SUCCESS IN VA.

Succored Association Got \$16.25 Hundred Compared With \$9 Under the Old System

Richmond, Va., Oct. 11.—Elated by the success of its pool of 1920 succored tobacco, which resulted in the recent sale of the entire crop of pool members—165,000 pounds—at an average of \$16.25 per hundred as compared to \$9 received by growers who sold their crops in the old way, the Virginia Succored Tobacco Growers' Association has begun a campaign to enroll all producers of such tobacco in the state for a 1921 crop pool. It is estimated that the 1921 crop will total more than 4,000,000 pounds.

The 1920 crop pool was recently sold in one lot for approximately \$200,000. The members of this pool were located mainly in the area composed of Carolina, Louisa, Hanover, Fluvanna and Goochland counties. The Association for 1920 had 682 members. As the 1920 crop was rated as of inferior quality the members of the pool were much gratified by the price obtained.

The lot of tobacco fills more than 1,000 hogsheds, and as soon as the tobacco can be examined by buyers and paid for the association announces it will distribute the net proceeds to each farmer, which will be within a couple of weeks.

The success of the Virginia venture is expected to prove of great interest to tobacco growers in the two Carolinas and Kentucky in connection with a cooperative scheme for marketing by the farmers of the entire tobacco crop of the four states. In Virginia, sufficient farmers have already signed up to put the venture over and the campaign is gaining headway in the other three states.

The business of the association in Virginia has been conducted for the farmers by four agents, J. R. Quisenberry, chairman, of Fredericks Hall, Virginia; J. C. Stiles, of Ashland; W. W. Green, of Bowling Green, and W. S. Garrett, of Buila, Goochland county.

Should the present campaign to sign up a pool of all the succored tobacco growers of Virginia be successful they will handle more than 4,000,000 pounds of tobacco, most of which is raised in the vicinity of Richmond. In order to put over the pool, it must be completed by November 1. A large per centage of the crop has been signed up, and the committee is confident that when the price obtained for the 1920 crop becomes known to the farmers they will have no difficulty in signing up 75 or 80 per cent of the growers of that kind of tobacco by that time.

Dr. Yager To Be In Richmond

Dr. Arthur Yager, former president of Georgetown College, and Governor of Poto Rico during the administration of President Wilson, will arrive in Richmond Friday evening and remain over Sunday. On Saturday forenoon he will address the student body at the Normal school at 9:30 and in the afternoon he will take part in the meeting at the courthouse where Dr. W. B. Adams, president of Georgetown College, and Superintendent George Colvin will discuss the proposed school amendments to the constitution.

SELL FARM FOR MRS. SOPHIA TIPTON

The farm of Mrs. Sophia Tipton was sold for her Thursday by the bustling Freeman Realty Company, to Mrs. Lucy A. Sharp, of this city. The 16 acres brought \$80 an acre. This farm has only slight improvements, and is two miles on a dirt road from Union City, so that the sale was considered an especially good one. Mrs. Tipton withdrew the farm from auction sale some time ago and the local realty firm promptly got busy and found her a buyer.

CORN AND TOBACCO CROPS FAR SHORT

With the growing season almost ended, except for very late tobacco and a small amount of the late corn that is now maturing, Kentucky's crop conditions now indicate the production of approximately 89,324,000 bushels of corn compared to 100,050,000 bushels last year, and 337,098,000 pounds of tobacco compared to 468,500,000 pounds produced in 1920. The United States' entire tobacco crop this year is now estimated at 991,564,000 pounds as compared to 1,508,064,000 pounds last year, or about 34 per cent decrease.

These estimates were issued today at Louisville and Frankfort by H. P. Bryant, Kentucky representative of the U. S. Bureau of Markets and Crop Estimates, and State Commissioner of Agriculture W. C. Hanna. The following estimates of other crops produced in Kentucky this year, with comparisons with 1920 crops were issued at the same time: Oats 1,574,000 bushels, compared to 8,225,000 in 1920; barley, 96,000 bushels, compared to 112,000 last year; potatoes, 5,775,000 bushels, compared to 6,435,000 in 1920; sweet potatoes, 1,709,000 bushels, compared to 1,890,000 in 1920; sorghum molasses, 4,334,000 gallons, compared to 4,845,000 last year; clover seed, 30,000 bushels, compared to 52,000 last year; apples 1,215,000 bushels, compared to 5,780,000 last year; pears 29,000 bushels, compared to 308,000 last year.

Condition of minor crops is as follows: Buckwheat 90 per cent; pasture 95; field peas 85; cabbage average yield per acre 2 tons; onions per cent of normal yield 83; average yield per acre 95 bushels; grapes condition 47 per cent; pears 8; broom corn per cent of normal yield per acre 85; sorghum for syrup, condition 80; average yield of syrup per acre 90.3 gallons.

I will look over them and give them instructions as to what to take before the squad at Beattyville.—Stone W. Norman, Secretary Home Service Section A. R. C., Richmond, Ky.

FINANCIAL AID SURE FOR TOBACCO PLAN

All Question of Backing For Marketing Association Set At Rest By Statement

Financial aid for the proposed cooperative marketing association of burley tobacco growers is assured by a statement and ruling issued Monday by the Agriculture and Live Stock Loan Agency of the War Finance Corporation from the offices in Louisville.

The conditions on which this aid will be given were laid down and a ruling made that tobacco will be accepted as security for advances to finance the marketing of the Kentucky product. Assurance had been given to representatives of the proposed association some time ago that aid would be forthcoming, but no definite ruling to this effect was made until a meeting of the War Finance Corporation on Thursday.

Similar assistance was promised directly to representatives of the tobacco movement September 21, in a ruling issued by W. P. G. Harding, of the Federal Reserve Board. Under this ruling the notes of the association, accompanied by weight tickets showing the amount of tobacco securing the notes, can be discounted under certain restrictions, through the Federal Reserve system as agricultural paper.

The statement which made it certain that the organization when formed will be able to obtain money to market the product, is said to have been drawn at that meeting, but was not announced until last night.

The ruling removed the last financial obstacle in the way of the success of the cooperative tobacco marketing plan, it was declared. Reports from the committee campaign office in Lexington indicate that the 75 per cent of this year's product necessary to the formation of the association will be reached before November 15, the date set as the limit for this year's campaign to obtain signatures for the contract. The way is also paved for similar associations for handling other agricultural products, it was pointed out. Loans to individuals for direct marketing of livestock and other farm products are made much easier, it was explained.

At the same time the statement issued by the War Finance Corporation committee expressly denies aid to tobacco speculators and dealers who purchase tobacco for resale. The statement also details the methods of obtaining loans. Banks and trust companies which lend money to farmers or associations of farmers marketing their product directly can obtain loans from the War Finance Corporation for this purpose.

The notes covering these advances from the War Finance Corporation to the lending banks are limited to one year. Interest rates will be determined from time to time by the Board of Directors of the War Finance Corporation.

First Christian Members Hold Home Prayer Meetings

An interesting series of mid-week prayer meeting services was inaugurated Wednesday night by the First Christian church. Instead of holding the regular mid-week service at the church, six sectional meetings were held in various parts of the city in the homes of members of the church. At seven o'clock these homes were filled with neighborhood groups under the direction of a leader who had been provided from the church. In each home there was also furnished a pianist and leader of music for each meeting, while the male quartet, composed of W. D. Arnold, J. C. Ballard, J. C. Bowman, and Leonard Matherly, and accompanied by Mrs. H. W. Carpenter, provided the special music for the six meetings. There were 146 present in the groups which met in the following homes: Mr. and Mrs. Z. T. Rice, Mr. and Mrs. John Allman, Mr. and Mrs. Ed Carson, Mr. and Mrs. G. W. Pickels, Mrs. J. W. Caperton, and Mrs. A. M. Davison. The leaders for these meetings were J. W. Hamilton, Prof. H. L. Donovan, G. G. Stocker, J. W. Wagers, T. E. Baldwin, and J. W. Arnold. Mr. Carpenter spoke briefly in each meeting on the social element in religious life. There was an average of 25 members in each home and meetings were greatly enjoyed not only because of the religious significance but because of the social element. The series, which is under the general supervision of Miss Carrie Allman, assistant in the First Christian church, will continue through a number of weeks touching every section of the city.

School Day
October 21 will be considered School Day at the Agricultural and School Fair. Twenty schools of Southern Madison county will be in Berea assembled on the campus and on the athletic field, trying out for first and second in all the school activities.

Poultry Day
October 22 in connection with the Agricultural and School Fair, will be called Poultry Day. All poultry should be entered by 10 o'clock at the College Tabernacle. Coops to be furnished by exhibitor. All poultry raisers are asked to exhibit.

Agricultural Day

In connection with the Agricultural and School Fair one of the greatest plays known to real life will be given at the Tabernacle Saturday night, October 22, by a company who is unequalled on the stage. The farmers and their entire families are urged to attend this play, since it is pertaining to their life, both of the past, present and future. Everybody should come to Berea Saturday, October 22, and take in all the good things during the day and remain for the evening program and see and hear one the greatest plays that Berea has ever staged.

The county agent urges and insists that all farm people, both old and young, and men and women remain for the play at night.

Rockcastle County

Agricultural and School Fair of Rockcastle county will be held at Mt. Vernon on October 28 and 29. Plans are being made for the most successful fair ever held in the county. Teachers are taking part as they have never done before. Schools are entering contests. Farmers and club members are getting exhibits ready and a great time is expected at Mt. Vernon on the 29th. All exhibits must be entered on the 28th except poultry. Poultry to be entered by 10 o'clock on the 29th.

Do You Look Forward To a Good Night's Rest?

Do you regularly anticipate a refreshing sleep? Or do you dread going to bed, only to stare, sleepless, at the walls? The difference between sleeping and staring is simply a matter of nerves.

When your nervous system is in a sound condition, you are certain to sleep well. But when your nerves are worn out and beyond your control, your rest is broken and your awakening leaves you languid and irritable.

Doctors know that much of the nerve disorders result from tea and coffee drinking. The drugs in these drinks over-stimulate, often causing the serious ills which result from disturbing the regular bodily functions. It is for your health's sake that many doctors now say you should quit

tea and coffee. Drink Postum, the delicious meal-time beverage instead! In flavor it is much like coffee.

Postum is fundamentally a nerve strengthener because it lets you get sound, restful sleep. Postum is a skillfully-made cereal beverage, and the secret of its popularity is its protection to health and its delicious flavor.

Ask your grocer for Postum. Drink this hot, refreshing beverage in place of tea or coffee for 10 days and see what a wonderful difference it will make in the way you feel.

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.

SOCIAL and PERSONAL

D. A. R. Meeting

The Boonesboro Chapter met with Mrs. Alice Tribble and Miss Mattie Tribble at their home in the country on Monday, October 10. The meeting was opened with the reading of a Psalm by the chaplain, followed by the Lord's Prayer, repeated in unison.

A brief business session followed. Mrs. Caperton was unanimously re-elected Regent; Mrs. Lewis Neal was re-elected vice-regent; and Miss Anne DeJarnett was re-elected Treasurer.

Mrs. Caperton was given a ringing vote of thanks for her splendid work as Regent of the chapter for the past three years. Miss Mattie Tribble was the

leader of the program, which was devoted to prominent suffragists. The following interesting talks were given:

Susan B. Anthony—by Mrs. Turley; Belva Anne Bennett Lockwood—by Mrs. Zaring; Ella Wheeler Wilcox—by Miss Mary O. Covington. Miss Jennie Parks told of her summer at Lake Chautauqua and of the work done there by the D. A. R.

Local People Guests

Mrs. Cecelia Littrell was pleasantly surprised at her home Sunday in Nicholasville by a number of friends and relatives, it being her 60th birthday. Those present from Madison county were Mr. and Mrs. A. D. Burris, Ruth Mae Burris, William Burris, Joe Burris, Mr. and Mrs. Johnson Jones and family, Mr. and Mrs. Edgar Burris and family, Mr. and Mrs. Manford Cobb and family, Milton Reynolds, Mr. and Mrs. Robert Burris and son, Mr. and Mrs. Emmett Burris and daughter and Miss Amanda Burris.

Banahan-Keller

A pretty ceremony marked the wedding Wednesday morning of Miss Nell Banahan to Mr. William Leo Keller, at St. Peter's church at 6:45 o'clock. Rev. O. L. Poole officiating.

QUIT TOBACCO

So Easy To Drop Cigarette, Cigar or Chewing Habit

No-To-Bac has helped thousands to break the costly, nerve-shattering tobacco habit. Whenever you have a longing for a smoke or chew, just place a harmless No-To-Bac tablet in your mouth instead. All desire stops. Shortly the habit is completely broken, and you are better off mentally, physically, financially. It's so easy, so simple. Get a box of No-To-Bac and if it doesn't release you from all craving for tobacco in any form, your druggist will refund your money without question.

The bride, who is the daughter of Mr. and Mrs. James P. Banahan, entered with her father. She wore a suit of dark blue with squirrel trimmings and a black picture hat. Her corsage was of Killarney roses.

Mrs. Charles A. Matlack was her sister's maid of honor, and she, too, wore a tailored suit of blue with squirrel collar and large black hat. Her corsage was of Ward roses. Mr. John R. Rourke, of Paris, was Mr. Keller's best man.

The church was beautifully decorated with palms and ferns and lighted with Cathedral candles. Preceding the ceremony Mr. William McFadden sang "O Promise Me" and "I Love You Truly," with Miss Anna Devereaux at the organ.

After the ceremony there was a wedding breakfast at the home of the bride's parents. Following a wedding trip to Chicago, Mr. and Mrs. Keller will make their home at 221 South Lime-stone street.

Mrs. Keller is a charming and popular young woman and Mr. Keller is a well known business man connected with the S. A. Glass wholesale company. He is the son of Mrs. G. C. Keller, formerly of Paris, Lexington Leader.

The groom is a nephew of Mrs. David O'Neil on East Main and has many friends here who extend best wishes.

Entertainers for Mrs. Chenault

One of the most beautiful social affairs of the season was Mrs. Henry M. Bosworth's reception from three to five o'clock Friday afternoon at her lovely home on the Versailles pike, as a compliment to her house guest, Mrs. Daniel Chenault, of Richmond.

The dining room was lighted with orchid tinted candles in silver holders and a large basket filled with delphinium and cosmos was the table's centerpiece.

Mrs. Bosworth, who received in the drawing room, wore gown

of geranium pink lace. Miss Virginia Owsley and Miss Anna Pearce Carrick presided at the punch bowl in the sun room.

Entertaining with Mrs. Bosworth were Mesdames J. C. Carrick, Theodore Kirk, Silas Mason Minerva Embry Goodwin, W. W. McFerran and Miss Lida Clay Ingels.

The charming hospitality included one hundred and twenty guests from Lexington, Frankfort, Paris and Versailles. A delicious two course luncheon was served.

Mrs. Dan Chenault, of Mt. Sterling, is the guest of Miss Mollie Fife on Lancaster avenue. Dr. R. L. Clark, Mrs. Clark and Mr. Cyrus Wells were in Irvine Monday.

Mr. Arnold Hanger arrived from New Castle, Indiana, Tuesday, called here by the death of his mother.

Mr. Robert Witt is the guest of his nephew, C. H. Todd, in Berea.

Miss Lucy Brandenburg has returned from Jackson where she spent the summer with Mrs. Alex Hargis.

Mrs. Margaret Boggs left Thursday morning for a ten day stay at Mt. Jackson Sanitarium, Indianapolis.

Mr. John March Land is in Frankfort for a week end visit.

Mr. Robert Phelps is in Cincinnati this week on a brief visit.

The Winchester Sun says "Mr. Nelson Ward is spending a few days in Cincinnati."

Mr. John S. Long, of Lancaster, was a visitor here Wednesday.

Mrs. Arthur Burton has returned to her home in Butler, Missouri, after a pleasant stay with her sister, Mrs. Samuel Phelps, and other relatives.

Mr. Joe Peel spent Saturday and Sunday with Dr. S. J. Ross in Winchester.

Dr. R. L. Telford and Mr. M. E. Arbuckle attended the Presbytery in Paris Wednesday.

Suddenly they have all grown up and left her—the babies she used to tuck in bed at night. The old house is empty and silent. All have forgotten her. Her birthdays pass unnoticed. Each child has embarked on a drama of his own. Loves, ambitions, temptations, carry them away. There are moments of laughter and comedy, romance, adventure, tragedy. The story of their lives sweeps you along. Your life—your home—your mother—as they might have been or as they are "The Old Nest" will awaken deep in your heart memories of the mother to whom you ran with your childish troubles. Never before has the screen touched with such beauty and dramatic force a subject which finds an echo in the lives of every one of us. One of the most heart-gripping dramatic stories ever narrated. Everyone says—"The most wonderful picture ever produced!" You'll laugh—You'll cry—You'll love it.

DEAL FOR ALL : : : :

This contest opens October 11, and will close December 1, at 3 p. m., with the right reserved to extend the closing date to Saturday, December 8, or Saturday December 15th, at 3 p. m., notice of such extension to be given all candidates a week ahead.

Only one nomination ballot counted on any one candidate.

Candidates and their friends may clip as many as 150 vote ballots from the issues of the Daily Register as they wish and send them in. The vote coupons expire on the various dates printed thereon.

Candidates may solicit subscriptions anywhere.

Candidates may be aided by as many friends as they can secure to take subscription books and solicit in their behalf.

No church, school, lodge, or society can compete as an organization; this is a campaign for individuals.

No vote will be issued except the 150 vote ballots printed in each issue of the Daily Register voting certificates issued with each cash subscription secured and special extra coupons, for which all candidates compete on equal terms.

The subscription rate of the Daily Register will be given you and remains the same as heretofore.

There will be no "doubling" of candidates, pooling of votes, or transferring of votes from one candidate to another permitted. Votes issued with cash subscriptions, and extra vote coupons issued, cannot be transferred to another candidate after the subscription has once been turned in to the Daily Register office. All information, receipt books, circular letters, sample copies, etc., furnished candidates free of charge.

Any candidate living in Richmond or surrounding territory, polling the highest vote, will be awarded a Dodge Touring Car, the candidate polling the second highest vote will be awarded a Ford Sedan; the candidate polling the third highest vote will be awarded a VICTOR Talking Machine, and the candidate polling the fourth highest vote will receive an EDISON Talking Machine. These four prizes being known as the Grand Prizes.

Special other prizes will be given away from time to time, during this campaign. Any candidate competing actively to the end of the campaign and failing to win one of the Grand Prizes, or a special prize, and turning in at least \$25 in cash subscriptions, business will be given ten per cent cash commission on the gross business he (or she) brings in. By any

candidate competing actively to the end of the campaign we specifically mean one who turns in at least three yearly subscriptions during each of the last three weeks of the campaign.

The Daily Register reserves the right to reject the name of any undesirable candidate entered.

Any candidate who may stir up dissension or dissatisfaction among the candidates is subject to being dropped at once.

In case of a tie, identical prizes will be awarded those tying.

In case of a dispute, the Campaign Manager shall have the final decision.

The final count will be made by a committee of Madison county business or professional men, and their finding will be absolutely final.

Candidates entering this contest, agree to abide by these rules herein set forth, and such additional rulings as may be found necessary from time to time. Any Man, Woman, Boy or Girl (white) living in Madison county or adjoining territory, may compete.

Make all checks and money orders payable to the Richmond Daily Register, and address all matters relative to the campaign, to Campaign Manager, Lock Box 266, Richmond, Ky.

WOMEN OF MIDDLE LIFE

A Dangerous Period Through Which Every Woman Must Pass

Practical Suggestions Given by the Women Whose Letters Follow

Afton, Tenn.—"I want other suffering women to know what Lydia E. Pinkham's Vegetable Compound has done for me. During the Change of Life I was in bed for eight months and had two good doctors treating me but they did me no good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, which I did, and in a short time I felt better. I had all kinds of bad spells, but they all left me. Now when I feel weak and nervous I take the Vegetable Compound and it always does me good. I wish all women would try it during the Change of Life for I know it will do them good. If you think it will induce some one to try the Vegetable Compound you may publish this letter."—Mrs. A. KELLER, Afton, Tenn.

Mrs. Mary Lister of Adrian, Mich., adds her testimony to the value of Lydia E. Pinkham's Vegetable Compound.

to carry women safely through the Change of Life. She says: "It is with pleasure that I write to you thanking you for what your wonderful medicine has done for me. I was passing through the Change of Life and had a displacement and weakness so that I could not stand on my feet and other annoying symptoms. A friend told me about Lydia E. Pinkham's Vegetable Compound and the first bottle helped me, so I got more. It cured me and I am now doing my housework. Your medicine is certainly a woman's friend and you may use this testimonial as you choose."—Mrs. MARY LISTER, 928 Frank Street, Adrian, Mich.

It is said that middle age is the most trying period in a woman's life, and owing to modern methods of living, women in a thousand pass through this perfectly natural change without experiencing very annoying symptoms. Thesemothering spells, the dreadful hot flashes that send the blood rushing to the head until it seems as though it would burst, and the faint feeling that follows, as if the heart were going to stop, these sinking or dizzy spells are all symptoms of a nervous condition, and indicate the need for a special medicine. Lydia E. Pinkham's Vegetable Compound is a root and herb medicine especially adapted to set upon the feminine system. It acts in such a manner as to build up the weakened nervous system and enables a woman to pass this trying period with the least possible annoying symptoms.

Women everywhere should remember that most of the common ailments of women are not the surgical ones—they are not caused by serious displacements or growths, although the symptoms may be the same, and that is why so many apparently serious ailments readily yield to Lydia E. Pinkham's Vegetable Compound, as it acts as a natural restorative and often prevents serious troubles.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

STATE'S APPLE CROP SMALL THIS YEAR

(By Associated Press)
Frankfort, Oct. 13.—The apple crop in Kentucky this year will be only approximately one fourth what it was last year, according to reports made by farmers to Commissioner of Agriculture W. C. Hanna and to the United States Bureau of Markets and Crop Estimates at Louisville. The crop on October 1 gave promise of totaling 1,215,000 bushels as compared with 5,780,000 bushels last year.

The story of what growers say was the damage done by frost last spring, when killing frosts occurred long after the trees were in full bloom, is told by the reports of conditions in the various counties. 56 counties making no reports of condition on this crop. The best report came from Henderson county with a crop 80 per cent normal, with Logan county, where the condition was said to be 68 per cent of normal, second, and Ballard county reporting a crop of 65 per cent normal. Martin, Bath and Montgomery counties reported the lowest per centage, the crop in each being one per cent of normal. Daviess county, which is second only to Henderson as the banner apple county of the state reported a crop 41 per cent normal.

Testing Kentucky Cattle

(By Associated Press)
Frankfort, Oct. 13.—Three hundred and forty-eight herds, containing a total of 3,159 cattle were tested by the Kentucky Livestock Sanitary Board and the United States Bureau of Animal Industry during September, according to figures just made public here. A total of 59 reactors were removed from the herds. There are now approximately 2,000 herds in the state under official supervision and these include nearly 30,000 cattle. More than 1,000 other herds will be tested as soon as they can be reached.

A vote in favor of the two proposed constitutional amendments is lending encouragement to the establishment of a political machine of tremendous power, and a step toward the ultimate domination of Kentucky schools by political bosses.—Glasgow Times.

CLARK HI TO PLAY MADISON HERE FRIDAY

On Friday afternoon at 3 o'clock on the Normal field the Madison High School will meet the strong team representing the Clark County High School at Winchester. The Madison squad has been showing fair form during the early part of the season. They have fine plunging power, but are unable to hold the ball. If they can develop the ability to keep the ball in their hands and not let it fall to the ground, they stand a good chance of winning some games by turkey day. Jim Allman has been showing marked improvements in the past few days. He is developing "pep" and has some of the elements of leadership.

Frank Hacker has been doing well at end and has been acting captain in the games thus far.

Talton Stone shows signs of leadership and has speed, coupled with good signal calling power. Laion Wilson needs a little more "pep" in calling signals, just a little more talk to his team. He has shown talent in carrying the ball, particularly in the Mt. Sterling game.

Pete Anderson is playing a fine consistent game in the backfield. He is able to hit the line hard and is always good for a helpful distance.

Tevis Hugueny is a top-notch in gaining yardage. He always shows up better in a game than he does in practice, which is always a good sign.

The punting of John Ed Allman has been highly acceptable. He plays a splendid game in the line.

Marshall Hurst has driving power as a backfield man and is a gridiron artist of much promise. When he learns how to hold the ball he will be of A-1 calibre.

Blevins and Reeves are line men who are playing a good game for their first year's experience. They are a big part of the splendid line which Madison had against the Montgomery county team.

Bowers has been making more than an average showing for his initial try on the gridiron.

The probable lineup of the Madison team, according to Coach Lassiter is as follows: F. Hacker, Jr.; John Allman, Jr.; Harry Stone, Jr.; James Allman, Jr.; Blevins, Jr.; Reeves, Jr.; Bowers, Jr.; Wilson, Jr.; T. Stone, Jr.; Hugueny, Jr.; Anderson, Jr.

The Clark County Hi team has been very unfortunate in losing some of their star players. Winchester City Hi has secured most of the Clark county men to change their school so that last year's great team at Clark County Hi has been broken up and they will have to start from the bottom again and go up. They have prospects, however, for a good team and Madison will have to fight for every inch of the ground that they gain.

The Madison eleven has mastered the shift play to a very telling effect and are said to have shown a very fine line in the game with Mt. Sterling last Friday. The boys have lost their first two games and are out of win this one. They have been showing a great deal of pep and after a little more practice they will be a very high polished eleven under Coach Lassiter.

DO YOU wish to know how thousands and thousands of women have gone thru motherhood without knowing some of the pains and discomforts incident to childbirth? Listen to this:

Motherhood creates almost a new state of being for a woman.

As a result, new nerves, those heretofore restful and quiescent, spring into activity, they cry out, they tingle, they burn in their unrest.

The network of nerves across the abdomen, the loins, the back and other parts now become super-sensitive. All these nerves are being called on to perform unusual duties.

These nerves must be pacified and comforted; must be put in condition for the crisis that is pending.

If these nerves are not soothed and quieted, they may set up aggravated nerve tension, increasing in severity from month to month, sometimes even culminating in a nervous paralysis of the back and limbs. This leaves the mother-to-be in a condition where she is unable, fully, to meet the test when the climax of maternity arrives.

WARNING: Avoid using plain oils, greases and salves. They act only on the skin and may cause burning without doing good.
